The Legend of Santa Paws II

Featuring
Wasabi the Cat

Like what about
this Santa Paws guy?

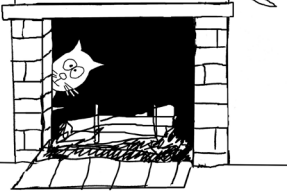

I've never seen him once
and I'm wondering why

The only way to know
is to see for myself

Where is the cat?

I have no idea.

Ask Kari and Matt
I'm the master of stealth

Every time I hide
in the flue for a while

Matt grabs me and yells
like it's going out of style

When I was small
I was happy to be
Out of the cold
and rid of fleas

But now that I'm older
and life's not too rough

I sit around the house
and think about stuff

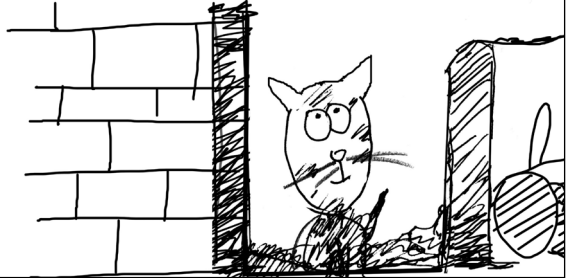

What if Santa Paws
Doesn't exist?

It might be a conspiracy
Maybe something's amiss!

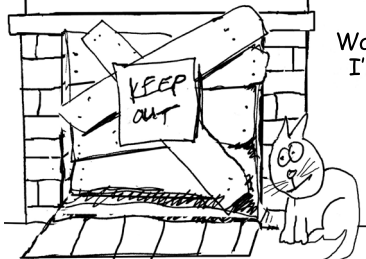

So I'll hide in the flue
and wait there to see

If Santa Paws comes
and brings presents for me.

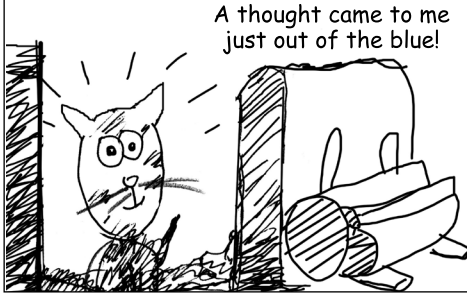

But I really need to know
so I keep going back in

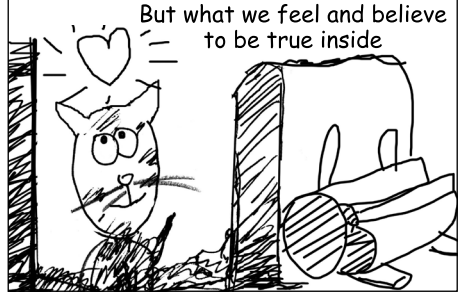

Waiting in darkness
I'll find the truth
from within!

I Then one day
was sitting in the flue

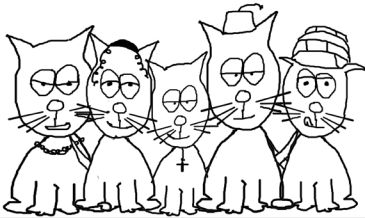

What is honest and real
is not what we see with our eye

The spirit of giving
is what is true to you

Be you Christian, Buddhist
Hindu, Muslim, or Jew.

Even if you happen
to be an Atheist cat

I don't think Santa Paws
has a problem with that

For me I believe
in Santa Paws without fear

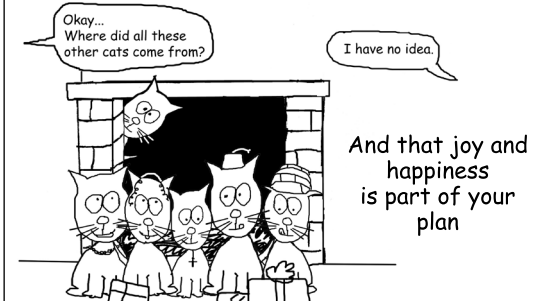

Even though I haven't seen him
and I can't even hear

I don't have much to give
but this one good wish

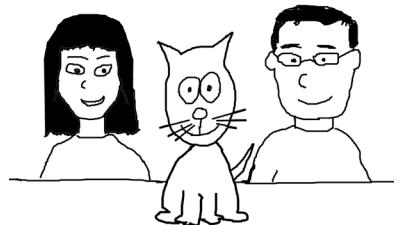

I hope you receive
lots of love in your dish

And I hope you enjoy time
with friends and your clan

Happy Holidays and
stuff like that

From Kari, Matt
and Wasabi the Cat
