

# The Legend of Santa Paws Vol.2, No.1 - Featuring

Read Vol. 1 at [wasabithecat.com](http://wasabithecat.com)

I'm just a pup and I happen to be

A little girl they call Herbie

My favorite toy is Jack's smelly sock

JACK!!  
Pick up your dirty laundry!

And after dinner, I like to go on a walk

I love to sniff all the stuff on the way

And stare at the dogs who want to play

I don't like when they are big or too licky

SLURP!

With all doggies I can be quite picky

I just stare 'cause I think they are lame

GRRRR

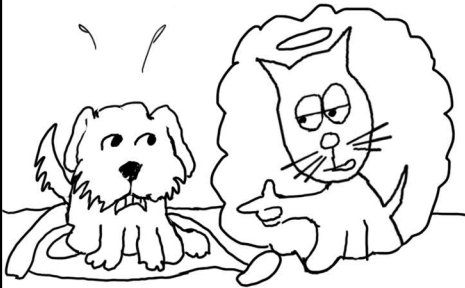

I walk past and don't ask their names

Once I was napping near a Christmas hat

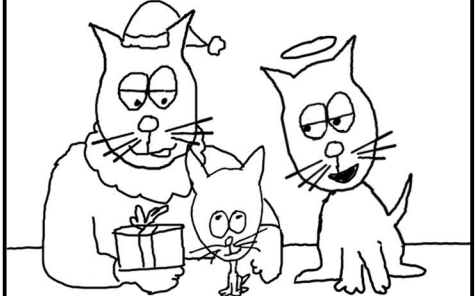

Suddenly appeared a ghostly cat!

"I am the ghost of Christmas past

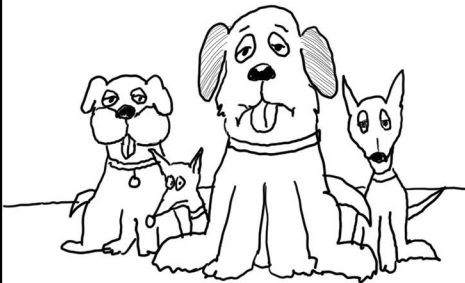

I am Wasabi, to teach you and fast!"

He told me about that Santa Paws dude

And why I should be nice, instead of rude

"Not all the local dogs have it so good

A pal is the best gift in the neighborhood"

Now when I am out I try to be kind

And stop to sniff my neighbors' behind

Today I have lots of friends in the 'hood

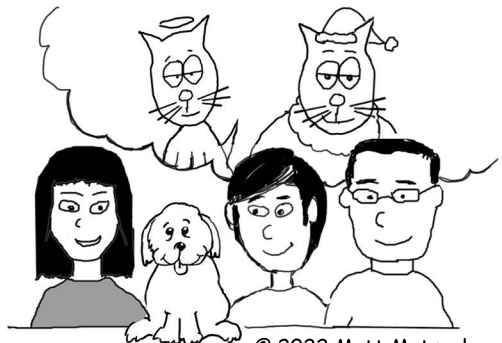

We keep things safe for the greater good

Happy new year to you and all your clan

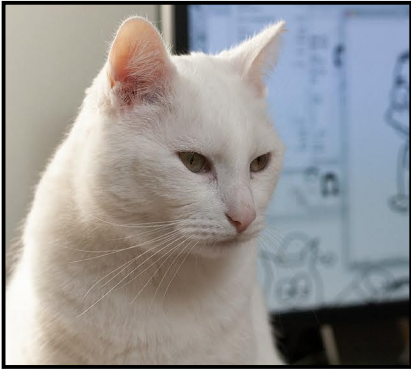

May joy and snacks be part of your plan

**Happy New Year  
and stuff like that

Kari, and Matt**

## About Wasabi

Wasabi was our beloved cat of 17 years who we found as a kitten. Wasabi was deaf and had a lot of issues with being nice to others. We lost him in February 2020.

He was featured in the **Legend of Santa Paws** Volume 1, Numbers 1-8.

## About Herbie

Herbie is our new girl Labradoodle puppy who was born in March of 2021. Herbie is named after Kari, who was nicknamed "Herbie" (The Love Bug) by her brother and sister while she was still in the womb. Herbie is a very happy girl and is friendly to everyone.

## About us

We had a safe and happy 2021 in spite of COVID. We spent a lot of time together, in particular on the north Mendocino coast. Jack will be 13 in March and is currently in 7th grade. He just got his second degree black belt in Karate and loves to make art, skateboard, and play disc golf with dad. Kari continues to work from home and has enjoyed cooking and baking for Herbie. Matt is still working for MuleSoft/Salesforce and is enjoying mountain biking and doing art and creative projects.
