"This is what happens with food inhalation"

"You get sick without snack moderation."

Now I slow down when I eat all my snacks

With my doggie pals like Kindell or Max

I still get treats from all the nice neighbors

But now Kari makes me save it for later

When I get snacks I am filled with glee

No pooch in the 'hood is luckier than me

Snacks with friends is the best gift of all

With those who are big, little, furry or tall

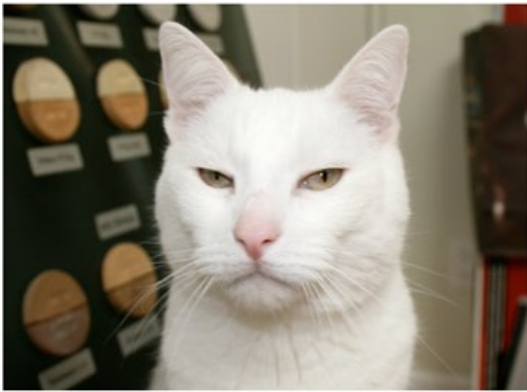

I hope you all have the same holiday fate

A lot of friends who are kind and great

**Happy New Year
and stuff like that
from Herbie, Jack,
Kari, and Matt**

About Wasabi

Wasabi was our beloved cat of 17 years who we found as a kitten. Wasabi was deaf and had a lot of issues with being nice to others. We lost him in February 2020. He was featured in the **Legend of Santa Paws** Volume 1, Numbers 1-8.

About Herbie

Herbie is our girl mini poodle mix who was born in March of 2021. Herbie is named after Kari, who was nicknamed "Herbie" by her brother and sister while she was still in the womb. Herbie is a very happy girl and is friendly to mostly everyone. The story of this card is based on Herbie's obsession with treats and our numerous and generous friends who indulge her.

About us

2023 was an eventful year for us. Jack will be 15 in March and started high school at Saint Mary's in Berkeley. Jack is 5'10" and now taller than Matt! One highlight of our year was going back to Disneyland several times after a long drought due to the pandemic. Kari continues to work from home and has enjoyed cooking and baking for Herbie. Matt is working for Salesforce and was recently promoted to Vice President. He is enjoying the Mendocino property and doing outdoor projects.

This card is in memory of Kari, Joy and Bryan's father, Johnnie Gim (1934-2023), who held a special relationship with Herbie.
