Bark!  
Bark!!

Then came Santa Paws & Wasabi the Cat

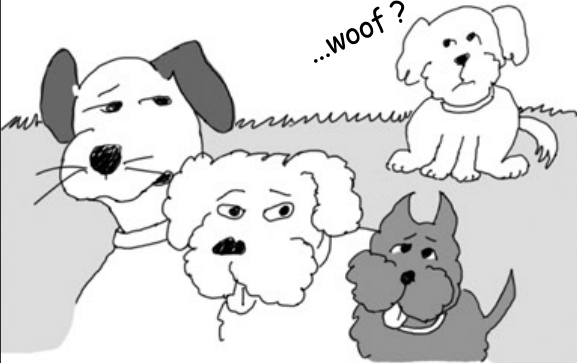

All adorned in their red holiday hats

"Your barking will spoil the holiday cheer"

"It turns all of us off, even the deer"

No one wants you at their activities

When you bring all of those negativities

For the holidays I try to tone it way down

With more wags instead of barky frowns

Chatting with friends is the best gift of all

With doggies who are big, little, or even tall

Me and my pals we like to play all day

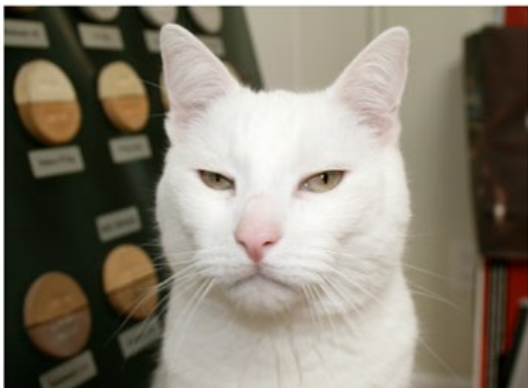

And we howl with joy and want to say:

Happy New Year  
and stuff like that  
from Herbie, Jack,  
Kari, and Matt

### About Wasabi

Wasabi was our beloved cat of 16 years who we found as a kitten. Wasabi was deaf and had a lot of issues with being nice to others. We lost him in February 2020. He was featured in the **Legend of Santa Paws** Volume 1, Numbers 1-8. Read Volume 1 at: [wasabithecat.com](http://wasabithecat.com)

### About Herbie

Herbie is our girl mini poodle mix who was born in March of 2021. Herbie is named after Kari, who was nicknamed “Herbie” by her brother and sister while she was still in the womb. Herbie is a very happy girl and is friendly to mostly everyone. The story of this card is based on Herbie’s obsession with barking at everyone she loves and is annoyed by. ### About Us

2025 was full of milestones and mouse ears. Jack, now a junior at St. Mary’s High School in Berkeley, celebrated his 16th birthday at Disneyland, earned his driver’s license, survived wisdom teeth removal, and even met up with one of his brands in NYC on our family trip this summer. Kari stayed busy working from home (and squeezed in three Disneyland trips), while Matt retired from Salesforce after a 10-year run, finishing as a VP and fully embracing painting, fishing, and cooking. Next up: house renovations in 2026.
